Pukyong National University

located in the most beautiful and dynamic city in Korea, Pukyong National University is surrounded by lively and exciting culture.

Pukyong National University is one of the most prestigious national universities in Korea. PKNU was founded in 1996 after Pusan National University of Fisheries (est. 1941) and Pusan National University of Technology (est. 1924) merged. Having more than 25,000 students, PKNU is one of the ten large-scale national universities in Korea. The university has developed partnerships with over 200 universities and institutions from around the world. More than 1,000 international students from 60 different countries are currently participating in PKNU's undergraduate and graduate programs.

2017

Pukyong National University

2017 International Summer School

Overview

Time Spent at an overseas institution is stimulating and challenging academically as well as being a life enhancing opportunity. Pukyong National University International Summer School(PKNU-ISS) offers the students opportunities to experience the Korean culture and inspiring academic environments. International students will have an opportunity to make new friends from all around the world as well as from PKNU. Aside from the academic studies, they will also be able to understand new cultures by discussing and sharing ideas with both Korean students and other international students.
