2. Flight

A. Booking

For a smooth procedur, please book the flight that arrives in Korea in the morning and that departs from Korea in the afternoon.

B. Arrival

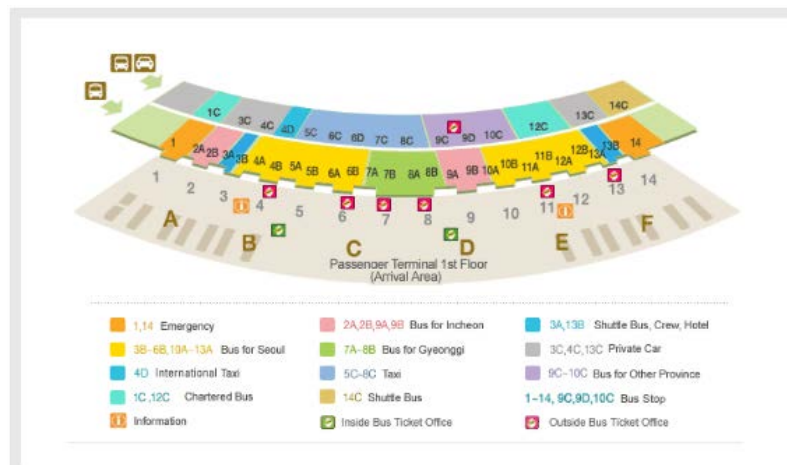

We do not offer an airport pick-up service; students are responsible for traveling to Jeonju upon their arrival in Korea. We highly recommend students take the airport limousine bus service to Jeonju which runs from both Incheon and Gimpo. Information on which bus to take and how to purchase tickets is available at the airport information desk in several languages, including English. The limousine bus service to Jeonju departs from Exit 9C and costs approximately 31,000 won and will take you to [the Jeonju Core hotel](#).

We will offer pick-up service from [the Jeonju Core Hotel](#) or from the Jeonju Bus Terminal. Also, participating students must inform their flight schedule in order to have pick-up services.

However, We cannot offer the transportation for pick you up. We will help students move to Chonbuk National University by Taxi. It will cost less than 10,000 won. If you need to communicate with the taxi driver you may show him/her the following message to request Chonbuk University as your destination.

“전북대학교로 가고 싶어요. 전북대학교 기숙사로 가주세요”

3. Campus Life

A. Housing

All students will stay at **Cham-bit Residence Hall** during the program. Cham-bit has an enforced curfew policy; students are expected to have returned to the dormitory before **11:50pm**. Students will be issued with an electronic key on arrival which will allow them access to the residence hall. A student using the key to access the building between 11:50pm and 4am will receive a mark against their name, in addition to the marks given for misuse of the dormitory access key, random roll calls will be performed after 11:50pm and students not present for roll call will receive extra marks. Excessive marks will result in that student's dormitory privileges being revoked, that student would then be expected to find other accommodation. And in the room you must take off shoes.
