

SUMMER INTERNSHIPS

with the University of Cincinnati

UC International needs students to work on three major projects this summer! We're looking for international students and University of Cincinnati students to form an internship team for 8 weeks (May to July) in the U.S. The internship would start between May 15 and June 1. International student applications to the program must be received by March 1.

International students will receive dorm housing and a food plan at UC for the duration of the internship, but will be required to cover the cost of transportation and their visa. UC students will receive hourly compensation. All students will receive great work experience and excellent mentorship!

The Project: Developing Videos for UC International

One student will be selected to develop video content for UC International's web presence. This internship will be performed at the University Communications office.

During the internship, the student will analyze our target audiences, shoot footage, edit video, and provide suggestions for the content's use.
